**August 4, 2019 | Cairo, Egypt** Sarwa Capital Holding for Financial Investments SAE (SRWA.CA), Egypt's leading consumer and structured financial services provider, announced today its consolidated financial results for the period ending 30 June 2019, with consolidated net income after minority interest of EGP 183 million, up 24% from EGP 148 million for the period ending June 30 2018, and consolidated earnings before tax up by 30%.

Management commented: "We are pleased to announce our interim results for the first half of 2019, a period marked by a number of key milestones and developments for the business. During the second quarter, we launched our insurance businesses, began factoring services, expanded our commercial vehicle financing operation, engaged in a number of important partnerships, and received the first Sukuk issuer license in the market.

With some of the headwinds affecting our underlying markets abating and demand recovering, we see growth potential ahead, enhanced by our expanding insurance operations and ongoing investments in technology with digital capabilities that will propel the business forward."
